## William's horror after 10 killed in Canada knifings

PRINCE William has described the killing of 10 people in a series of stabbings in Canada as "truly heart-breaking". The Duke Of Cambridge said in a personal tweet that his thoughts and prayers were with the victims of these "horrific acts" in an indigenous community and a nearby town – one of the deadliest attacks in the nation's history. Some of the victims were targeted and others appeared to have been chosen at random on the James Smith Cree Nation and in the town of Weldon in Saskatchewan province on Sunday. One of the suspects has been found dead, and his injuries are not self-inflicted, Canadian police said. The duke, a future king of Canada, said: "Our thoughts and prayers are with the victims of these horrific acts and all those that have lost loved ones."

## Man shot after police chase

ARMED police have shot dead a man in his 20s after a chase that ended in a residential street in south London. Officers deliberately collided with a car to force it to stop in Kirkstall Gardens, Streatham Hill. Locals reported hearing gunshots and the police helicopter overhead. A 39-year-old man, who lives nearby, said: "A police car came down Kirkstall Gardens and crashed into him. Another police car came in behind him and they had him locked in. The car was immobile when he was shot."

## Culture minister walks as new PM takes office

NADINE Dorries and Priti Patel have written to Boris Johnson telling him they would resign after Liz Truss takes office as prime minister. Another Johnson ally, Ben Elliot, also quit as Conservative Party co-chairman following Ms Truss's election as leader. Ms Dorries, who was in

the front row of MPs watching Boris's Downing Street farewell speech said Ms Truss had offered to keep her on as culture secretary but she had declined. She also refused to answer whether she's standing down as an MP. Meanwhile, home secretary Ms Patel

confirmed her plan to return to the backbenches in a tweet as she shared her resignation letter. While she pledged her support for the new leader, she said it was "vital" that she continued to support the policies she had pursued to tackle illegal immigration – including the deportation

GONNERS: Dorries and Patel have both resigned

of asylum seekers to Rwanda. "I congratulate Liz Truss on being elected our new leader, and will give her my support as our new prime minister," her letter read. "It is my

choice to continue my public service to the country and the Witham constituency from the backbenches, once Liz formally assumes office and a new home secretary is appointed."

FROM CHURCHILL TO THIS: The Queen greets new PM Liz Truss

# YOU'RE JOKING

# ...NOT ANOTHER ONE!

HER Majesty could have been forgiven for echoing famed Brenda from Bristol and declaring "You're joking, not another one" when her FOURTH PM in six years arrived at Balmoral yesterday.

Boris Johnson travelled to the Highland estate to resign, followed by Liz Truss just over an hour later who was "invited to form a government" by the 96-year-old monarch.

Majesty is suffering from mobility problems and would find it difficult to travel to London to do the handover at Buckingham Palace.

The ceremony is called "kissing hands", though Ms Truss did not actually kiss the Queen's hand.

After she was asked to form a government, Ms Truss and the Queen chatted about the state of the nation before she returned to London to give a speech to the nation.

An insider said: "The Queen

will have had some words of advice and encouragement for the new Prime Minister, after all, she has been doing this job since 1952 and the her first PM was Winston Churchill.

"Her Majesty may be frail but her mind is sharp as a tack and she's seen it all before."

### Turbulent

During the first few days, the prime minister will have to do something that will put everything else into perspective.

She will sit down and write

letters to the commanders of the UK's Trident submarines with instructions about whether to retaliate if the UK suffers a nuclear attack. The letters are only opened if contact with the UK is lost.

Ms Truss is the fourth Tory PM in just six years in what has been a turbulent time for the Conservative Party and the country.

Both David Cameron and Theresa May fell because of Brexit, while Boris was toppled as more than 50 ministers resigned in the wake of waves

of scandal and sleaze that engulfed his administration.

## Whole lotto legal trouble comes to end

OUTGOING National Lottery operator Camelot has dropped its appeal against a legal ruling that would have prevented the handover to rival Allwyn.

Allwyn said that Camelot had withdrawn its legal challenge to an earlier court ruling which would have seen it go to the Court of Appeal next week.

Allwyn said this "removes an important obstacle to the UK Gambling Commission signing the enabling agreement with Allwyn that will allow the transition process to begin", ahead of the new licence period starting in February 2024.

In return, Allwyn has dropped its counter-claim against Camelot for damages due to delaying the transfer of the £6.4 billion contract.

The latest twist in the saga comes amid fears that the delay to the handover could have seen the lottery suspended for the first time in its history.

It was thought that good causes could lose out to the tune of more than £1 billion if the handover was stopped.

The new lottery operator said it "very much welcomes this decision".

## Kids ditch drugs but love vaping

DRUG use and smoking are in decline among high school pupils, but vaping is on the rise, according to a new report.

New figures from NHS Digital suggest that some 9% of 11 to 15-year-olds in England smoke e-cigarettes.

This is a rise from 6% in 2018 – the last time the figures were published.

The proportion of smokers declined from 5% in 2018 to 3% in 2021.

Some 18% of pupils reported having ever taken drugs, down from 24% in 2018.

## NOW FIREMEN VOTE ON STRIKE

TENS of thousands of firefighters and control room staff are to be balloted for strikes over pay in the latest outbreak of industrial unrest sweeping the country.

The Fire Brigades Union (FBU) said 32,500 of its members across the UK will vote in the next few weeks on whether to launch a campaign of industrial action.

The union said the move follows a 2% pay

offer made in June, which has not been increased despite the soaring rate of inflation.

The pay offer represents a "significant real-terms pay cut", said the FBU.

The ballot is expected to be held in five weeks.

The announcement follows a wave of industrial action this summer by tens of thousands of workers.

FBU general secretary

Matt Wrack said: "Strike action is always a last resort but our employers are increasingly leaving us with no choice.

"There is huge anger among firefighters at falling pay.

"Firefighters must be paid fairly – there is absolutely no question when it comes to this.

"It is the responsibility of employers to provide decent pay offers and that has not happened."

# ZOE: WHY I LOVE MY PUSSY!

**HELMER:**  
Zoë makes  
her debut  
as director

**ACTRESS** Zoë Kravitz is set to stun audiences with new thriller *Pussy Island* – and she's happy she didn't change the suggestive name.

The *Batman* star, 33, is making her directorial debut with the movie and co-wrote the screenplay.

The film is based on stories Zoë heard about rich men bringing women to remote islands for wild nights.

"The title came from that world. The title is the seed of the story," she said.

## Illusion

"It represents this time where it would be acceptable for a group of men to call a place that, and the illusion that we are out of that time now."

The story follows Slater King (played by Channing Tatum), a tech executive who invites a cocktail waitress named Frida (Naomi Ackie) to his private island for some ill-fated fun.

Zoë said she had penned the script before the #MeToo movement came to light in the US.

But she explained the story gained drive because it was "born out of" the same "anger and frustration around the lack of conversation

about the treatment of women, specifically in industries that have a lot of money in them, like Hollywood, the tech world, all of that."

She also touched upon her relationship with Tatum, 42, and what it was like to direct him in *Pussy Island*.

She added: "When you make things with people it's a very sacred space, and when you are compatible with somebody creatively it often opens up other channels, as you're kind of sharing all of yourself."

"I'm really grateful that this movie has brought him into my life that way."

## Jobseekers queue to spew

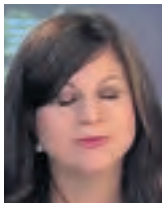

A CLINIC is looking to hire someone who can vomit on command – and they've been flooded with applications, according to a report.

"There are so many applications it is impossible to oversee," psychologist Maartje Kroese said.

The Amsterdam-based Kindt Clinic – which helps treat PTSD and phobias like fear of vomiting – is seeking applications for a part-time job regurgitating at will to help people face their fears.

It wasn't revealed how much the position of puke will pay.

# Newsreader has stroke live on telly

A NEWSREADER has revealed she suffered a STROKE live on air.

Julie Chin, who works for TV station KJRH in Oklahoma, was rushed to hospital after she found herself struggling to read the autocue in front of her.

"My doctors believe I had the beginnings of a stroke live on the air. Some of you witnessed it firsthand, and I'm so sorry that happened," Chin said.

"The episode seemed to come out of nowhere. I felt great before our show," she continued.

"However, during our newscast things started to happen. I lost partial vision in one eye. A little bit later my hand and arm went numb.

"Then, I knew I was in big trouble when I could not speak."

"At this point, doctors think I had the beginnings of a stroke, but not a full stroke.

"There are still lots of questions, but the bottom line is I should be just fine."

A FRENCH woman is fighting for her life after being attacked by a shark off a Hawaii paradise beach.

The victim had been seen swimming and snorkelling in water approximately 100 yards from shore before the incident.

# NO CLOTHES ON!

**NOT heard of the film No Way Out?**

Well, quite honestly, there's little reason you would have, with it not being this year's biggest cinema release.

The movie tells the story of Nick and Tessa, played by Joey Bicicchi and Maia Mitchell, who do sex things.

The blurb for the flick promises the following: "We follow a couple that lives in Los Angeles. They're embroiled in a passionate relationship fuelled by sex, drugs and risk that quickly

**By LES JONES**

reaches boiling point."

It continues: "Nick is a photographer who recently moved to the city for work. He meets the free-spirited Los Angeles native Tessa with the help of modern technology."

**Attraction**

"They embark on a whirlwind romance filled with sex and affection. However, their attraction and interaction soon lead them to darker paths."

Sounds like a right cracker, no?

Er... no.

The film scores a paltry 3.9/10 on movie website *IMDb* and just one star out of five on the respected review website *Rotten Tomatoes*.

One online reviewer sighed: "This muddled erotic thriller feels like a throwback to assembly-line noir exercises from a bygone era."

But there is something to watch it for – Maia's frankly-splendid teats.

One film fan said: "Come on, you don't watch sex thrillers to witness cinema history, do you?!"

"No... exactly!"

## Kate Bush's running up new records

KATE Bush's hit *Running Up That Hill* was the UK's biggest song of the summer for 2022, says the Official Charts Company.

Released in 1985 as the lead track on her *Hounds of Love* album, the song had a global resurgence after it was featured in the fourth series of *Stranger Things* this year.

The song recorded 762,000 chart units from the first week of June to the last week of August.

It also secured the most streams of any song with 86.6 million.

Kate (above) broke a trio of records – including the longest time taken for a single to reach No.1, after the track reached top spot 37 years after its original release.

She also claimed the title of the longest gap between number ones, as her only other chart-topper was 44 years ago with debut single *Wuthering Heights*, in 1978.

She is also the oldest female artist to score a UK No.1 as she was 63 at the time.

**SNORING** will kill you stone DEAD!

Obstructive sleep apnoea affects millions – presenting as loud snoring, gasping and daytime sleepiness.

The symptoms are due to an obstruction of people's airways when they sleep.

Researchers think it could be an indication of deadly cancer.

Swedish experts say snoring may also have something to do with the lack of oxygen snorers get during the night.

It was found that people suffering from a severe case were at greater risk of developing blood clots in their veins – a potentially life-threatening condition.

Dr Andreas Palm said: "Our findings show that oxygen deprivation due to OSA is independently associated with cancer."

## Boris to make £1MILLION a month... PLUS another £10MILLION for his memoirs

**HUGE BOOK DEALS:** Boris and (below) Tony Blair

## HE may be out of Downing Street but he's certainly in the money!

Boris Johnson can look forward to a MEGABUCKS future after getting the boot from Number 10, experts say.

Millions yesterday watched his farewell speech outside the famous black door, which he began: "Well, this is it, folks..."

But it is far from it when it comes to filling his depleted coffers.

The former PM, who, like his idol Winston Churchill, has been famously cash-strapped over the years can now start earning serious buncie.

One analyst, who asked not to be named, said: "For all his faults, Boris Johnson remains the most colourful person in UK politics and that makes him an attractive prospect for commercial enterprises."

"His stance on Ukraine has won him a lot of friends worldwide and that will boost his earnings, especially in the US. Boris already has strong ties with the United States and was actually born there."

"I would estimate he could easily earn a million pounds a month from speaking engagements alone."

## Boosterism

"His famed 'boosterism' is a great asset for giving corporate motivational speeches."

"In fact, the only downside of inviting Boris to speak at your event is the risk that he may have sex with your wife!"

And publishing sources reckon there's another big payday heading old Boris's way – for his memoirs.

**By SIMON DEAN**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

The story is his road to power and all his adventures in Number 10 would prove a global smash and "easily" worth £10million to publishers.

The estimated figure dwarfs the £5.6million advance Tony Blair was paid for his memoirs, called *A Journey*.

A publishing insider said: "Like most prime ministerial memoirs, *A Journey* was as dull as ditchwater."

"Boris's book will not be like that, not by a long shot. Say what you like about him, Boris has a superb way with words and his book will be a blockbuster."

"There'll be his rakish early years at Oxford, his antics as a journalist, as an MP, and junior shadow minister, then his rise to Number 10, Brexit, COVID – and almost dying – Ukraine and finally the plot to get rid of him."

"And there should be a lot of shagging in it."

## COVID deaths decline

THE number of deaths involving COVID registered each week in England and Wales remains on a clear downwards trend, falling for the fourth week in a row.

A total of 453 deaths registered in the seven days to 26 August mentioned coronavirus on the death certificate, according to the Office for National Statistics

– down 18 percent on the previous week.

It is the lowest number of deaths since the week to 8 July.

Death registrations climbed during much of June and July after the wave of infections caused by the BA.4 and BA.5 Omicron subvariants of COVID.

The figures peaked at 810 deaths in the week to 29 July.

## Record profits for OnlyFans down to COVID

THE UK adult subscription platform OnlyFans has had a huge jump in revenue this year, raking in more than £805million as users flocked to the site for its amateur porn content.

Recording pre-tax profits of £374m, OnlyFans had its most significant yearly growth to date in 2021.

The firm's revenue increased by 160% from £309m to £805m over the year, as the site's popularity soared during the pandemic.

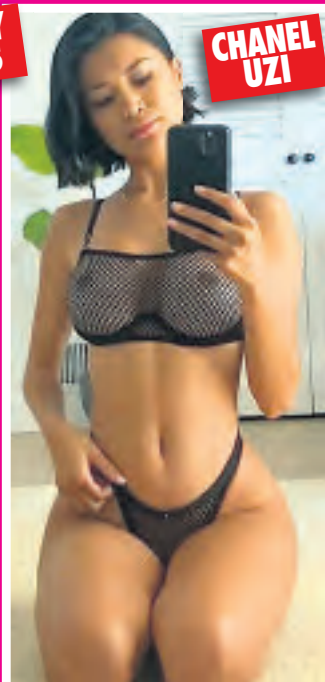

Sex workers are able to post pictures and videos to the platform and users pay a direct subscription fee to the creator, with OnlyFans taking a 20% commission fee.

Performers on the site have earned more than £6.92billion since 2016.

A spokesman said: "Our creator-first approach to building the world's safest social media platform has propelled OnlyFans to a record-breaking 2021."

## This Morning fans want end of Phil & Hol

FANS of ITV's *This Morning* show have called for hosts Holly Willoughby and Phillip Schofield to be replaced by understudies Ruth Langford and Rylan Clark.

After Ruth and Rylan's recent week-long stint, viewers described the regular presenters as being "well past their sell-by date".

It comes as Holly and Phil launch a publicity blitz to raise awareness of their return to the show after they took the summer off.

But their stand-ins were so popular that now pressure has been put on ITV to get rid of them and hire their replacements.

One viewer wrote: "Ruth & Rylan were my favourite couple over the summer break. Get rid of Holly & Phil who are boring!"

Another wrote on social media: "Ruth and Rylan, far better than Lord and Lady Phil and Holly who are well past their sell-by date."

A source close to the show said: "You have to wonder what Holly and Phil made of Ruth and Rylan's popularity."

"Mondragon told the deputy he had the dead bird in his car because he likes 'the metal and blood smell that emit from the dead animal,' the arrest report says.

Officers later found pics of him posing with dead animals on his phone, along with footage of his car

near the memorial. They also claim his tattoos may be a nod to Tate Langdon's facial skull makeup in the TV series *American Horror Story*. A school crossing guard first noticed a duck with its gut sliced open on a bench at the memorial on 20 July, and a raccoon was found there the next day.

The dead opossum was spotted there 10 days later, police said.

The alleged animal corpse dumping came just days after the start of the death penalty trial for Nikolas Cruz, who gunned down 17 people at Marjory Stoneman Douglas High School back in 2018.

Mondragon was arrested on three counts of disfiguring a monument and held without bond, according to the Broward County Sheriff's Office.

He was first arrested on 4 August after he violated some of the terms of his current probation for previous charges of battery and indecent exposure.

**Grim leg find at sewage works**

**POLICE** are investigating after part of a human leg was found on a conveyor belt at a sewage works.

A New York city employee made the grisly find at a filtration facility in the Bronx.

The discovery was made at the water pollution control plant in Hunts Point.

It was described as a leg from the knee down, with the foot attached.

Sources said the leg looked like it may have belonged to a youngster.

The conveyor belt was immediately stopped, but a search did not reveal any other body parts.

Cops don't know if the leg was dumped at the site, or was in the water and got caught in the filtration system.

# SERIAL KILLER FACING 70YRS

A MAN accused of being a serial killer has taken a plea deal, just days before he was set to go to trial for murder and the sexual assault.

Deangelo Martin, 37, pleaded guilty to the murders of four women in addition to the sexual assaults of two others. He is due to be sentenced next month.

Martin (below) faces 45-70 years in prison after he pleaded guilty to the murders of Annetta Nelson, 57, Nancy Harrison, 52, Trevesene Ellis, 55, and Tamara Jones, also 55. All of the women were found dead in vacant homes in Detroit's east side in 2018 and 2019.

He was charged with first-degree premeditated murder in each case.

Martin also pleaded guilty in two sexual assault cases, one in which he was charged with kidnapping and the other in which he was charged with assault with intent to murder.

## Fisherman hid in freezer to avoid sharks

A FISHERMAN who miraculously survived 11 days at sea in shark-infested waters by floating inside of a FREEZER has thanked God for his escape.

Romualdo Macedo Rodrigues (*above*) was in a vessel which began taking on water in the Atlantic Ocean off the coast of northern Brazil.

As it began to sink, he frantically climbed inside of an oversized freezer and floated in it until another boat picked him up off the coast of Suriname.

"I was desperate," Rodrigues said. "I thought my end was coming. But God gave me one more chance."

Rodrigues, who doesn't know how to swim, said he noticed that the freezer was bobbing in the water as the rest of the boat slipped out of sight.

He said that sharks circled the freezer but never attacked and he had to scoop out water with his hands when it began to fill up.

**SADISTIC former cop David Middleton was banished from the force in disgrace, eventually earning a living working as a cable TV installer in Reno, Nevada. That job saw him come into contact with many female customers, some of whom never again saw the light of day after he dragged them – kicking and screaming – to his twisted torture chamber...**

# SERIAL KILLER IN BLUE

**CRUELY SLAIN:** Buffy Donohoe was last seen being picked up by Evonne Haley

**DAVID Middleton is the epitome of a cop gone bad.**

He started out life as a police officer with the Boston PD and later with Miami Metro-Dade.

He was sworn to protect and serve. He did anything but.

In 1990 – having raped a 16-year-old girl and viciously attacked another woman, sexually penetrating her with a machete – he was jailed for five years and ordered to hand back his uniform and badge.

Middleton, however, was back on the streets just two years later.

By **KOURTNEY KENNEDY**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

And, by 1993, he was on his way to becoming a serial killer.

Officially, Middleton's death toll stands at just two. He was convicted of the kidnap, torture, rape and murder of 42-year-old casino worker Thelma Davila and 45-year-old primary school teacher Katherine Powell.

But detectives suspect he could be responsible for many other disappearances and is a "person of interest" in at least two other slayings.

He currently resides on Death

Row, having been handed the ultimate sentence for his crimes in November 1997.

Jeff Powell, brother of slain teacher Katherine, racked up enormous personal debts as he was forced to take time off from his career as an architect to be at Middleton's trial, losing valuable many customers and most of his income in the process.

But to Jeff, it was all worth it. He said at the time: "It will be years before I recover from this."

"At the moment I'm treading water with my head just above the surface. I'm in massive debt. I'm getting just enough to make monthly payments."

"It will be a long time before I get back to where I was."

"But at least David Middleton is in prison and will stay there."

## Cruel

Middleton should, in a world less cruel, have had a glittering career as a police officer. Raised in Massachusetts, he was hired as a police cadet by the Boston Police Department at the age of 18 and also began to attend college.

Around the same time he got married to Julia Heridia, his high school sweetheart.

By 1982 he'd moved to the Miami Metro-Dade police unit, performing so well he earned some commendations.

He was eventually promoted to detective in the Warrants Bureau and things were looking rosy.

But by 1984 his life had begun to unravel.

Middleton began an affair with a known criminal,

Smith – someone he'd actually arrested.

He then abused his power to ensure that Gerrilyn was granted low bail from the prosecutor's office in New Jersey.

In 1988 he was investigated by internal affairs and suspended from duties on the warrants desk and given a more menial role.

Just a year later Middleton's true colours were beginning to show.

In November 1989 he was arrested for a truly horrific kidnapping and sexual assault.

Legal files revealed: "Middleton coaxed a woman who worked for the Miami-Dade police to have sex with him."

"She had sex with him once consensually, then Middleton raped her at his home."

"He used an animal head machete for anal penetration."

Around the same time he raped a 16-year-old girl while off duty but wearing his uniform.

And by 1991 he was behind bars, serving a five-year stretch for his ghastly crimes against women.

But, just two years later, Middleton was once again a free man.

He moved to Montrose, Colorado, where he started working as a cable TV installer.

It's around this time that he shackled up with girlfriend Evonne Haley, a woman who would eventually become his sick accomplice.

## MONSTERS OF DEATH ROW

**THE WORLD'S MOST EVIL MURDERERS AND THE HORRIFIC CRIMES THAT SAW THEM SENTENCED TO EXECUTION...**

In November 1993, many suspect Middleton committed his first murder, that of newlywed Buffy Rice Donohue, who was just 18 years old.

It is a crime for which he has not yet been convicted.

Buffy's bound, battered and decomposed body wasn't discovered until May 1995. She'd been bludgeoned to death with a blunt weapon.

Buffy was last seen being picked up by Evonne Haley in the car park of a supermarket.

The court files state: "It was the last time she was seen alive."

"Middleton was spotted taking a big trash bag out of his apartment that night."

Retired Reno Police Sgt Jeff Kaye is certain Middleton is the culprit.

He said in 2009: "Buffy's story breaks my heart. I have a daughter of my own, so I was pretty much crying like Bambi when I saw her tombstone."

"I'm honestly hoping someone will take a second look at this case and do something with it,

if only for the sake of the victim's family."

By 1994, Middleton and Haley had upped sticks and moved to Sparks, Nevada.

And the cadavers kept piling up.

In February 1995, a woman's body was found in a dumpster at a Reno apartment complex, wrapped in a sleeping bag and covered in plastic tape.

She was later identified as Katherine Powell.

## Rope

The court documents reveal: "Her body was loosely bound by rope and, aside from a black tank top and blue socks, was naked."

"The body exhibited bruises, particularly on the elbows and knees, most of which were incurred prior to death."

"There were also bite marks and a semen stain was found on her right thigh."

When cops investigated they learned Middleton had made a service call to the house a few days earlier in his role as a cable technician.

**PURE EVIL:** David Middleton (in court, left, and police mugshot, right) used his job to target his victims

**JAILED:** Haley helped her partner carry out his sick crimes

**DEATH SCENE:** A judge and detectives examine the area where other bodies were discovered

And that eventually led them to Middleton's twisted storage unit.

The legal files add: "A refrigerator was lying on its back on the floor of the unit. In it were blue fibres similar to those found on Katherine Powell's body."

"The refrigerator had been modified. Its shelves were removed and the floor of the freezer compartment was cut and folded down to make one big space. Two air holes had been drilled in it."

"Police also found a switchblade knife, a stun gun, a foam ball with teeth marks in it

and rope similar to that used to bind Katherine Powell's body."

Dr Raymond Rawson, a professor in dentistry, said: "The bite mark on Powell's left breast was inflicted while she was still alive."

He said it was a hard and painful bite that had caused bleeding below the skin - and Middleton inflicted it.

In May 1995 another body emerged, this time belonging to casino worker Thelma Davila.

A dog walker came upon skeletal remains hidden in a secluded valley. The body had been buried but had

resurfaced by the digging of animals.

Just as with Katherine, cable TV had been installed in Thelma's home shortly before her disappearance.

Middleton and Haley were swiftly brought in for questioning.

While they initially denied all knowledge of the slayings, cracks in their statements soon began to appear.

Middleton eventually admitted taking a woman to his storage unit for sex.

### Strangled

Then he changed his mind again to admit that, yes, she had died but she'd accidentally strangled herself during consensual relations.

But prosecutors said: "There was a scheme or plan on Middleton's part

to meet women, abduct and hold them captive, abuse and kill them and then dispose of their bodies."

"Davila and Powell were both unmarried females of a similar age, both were alone at home when they disappeared, both homes had been serviced by Middleton's employer, TCI Cable, and Middleton had met both victims before their disappearance."

On top of that there was the damning DNA evidence that linked Middleton to his victims.

He was found guilty of two counts of murder in August 1997 and handed a death sentence three months later.

Accomplice Haley, meanwhile, pleaded guilty to four counts of accessory to a crime and was sentenced to 11

years in prison. She was released from custody in November 2003.

Detectives are still investigating a number of unsolved murders.

In 2010, police in Montrose, Colorado - where Middleton had once lived - released composite pictures of a woman whose naked remains were recovered in a remote area in 1994 in the hope it might help to identify her.

The corpse, believed to be between the ages of 35 and 45, had been dumped 18 months before it was discovered.

And sure enough, Middleton had been a 'person of interest'.

Now 59 years old and with all appeals slung out of court, it seems the 'Cable Guy' will die on Death Row.

# CANNIBAL SICKO BOILED AUNT'S HEAD TO MAKE SOUP

A CANNIBAL was nicked after he cut off his aunt's head and used it for soup.

Jeremiah Ode, 45, killed his uncle's wife Priscilla, 65, and cut off her head with a machete at her farm.

Ode then cooked a pepper soup with the decapitated head and was eating a steaming bowl of it when he was caught by relatives.

He has since appeared at Makurdi Magistrates' Court in Oju, in the southern Nigerian state of Benue, on charges of cannibalism.

### Deranged

Silas Igari, of Oju, reported Ode to the police and claimed he had gone to his uncle's farm where Priscilla was working before he killed her.

After cutting off Priscilla's head, Ode, who is well known for being mentally deranged, used it to make pepper soup.

Locals said Priscilla's family had gone out searching for her after she did not return home from the farm, only to find Ode eating her head.

Ode told police that he and Priscilla had fought each other with their machetes before he overpowered her and killed her.

Nigerian newspaper *Stateflash* reported:

**Family caught him feasting on the hellish broth**

By BRAD CHADWICK  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

"The police considered the narration too normal to be that of a mad man and, therefore, decided to prosecute him."

The Chief Magistrate, Regina Alagh, ordered for Ode be remanded at the Federal Correctional Centre in Makurdi.

The accused has since pleaded guilty of the charge in court.

The case has been adjourned until 11 November for legal advice from the State Ministry of Justice.

# JUSTIN DUNN'S ROOM 101

## WHAT'S ANNOYING HIM THIS WEEK?

# Democracy?

# What a f\*\*king joke!

**DULL AS DISHWATER:** Liz Truss emerged as PM

**THE most uninteresting bit of this week's news so far is the introduction of a new PM.**

So, hello, Liz.  
And bugger off, Rishi.  
Which we've all known was going to happen for the last – what is it? – nine months or something?  
Summer is usually silly season time for news outlets because there's normally pretty much nothing going on.

Which is why other papers start pretending they're more like us lot here at Sport Towers, because they can't think of anything to put in their dreary pages.

This year was different.  
They actually had to put some effort in.

### Porn

Because after Boris's career was finally bashed and beaten to death by the taxpayer-funded Communist revolutionaries at the BBC, we had to leave our gardens, beaches and porn websites to watch the news instead.

To watch, every single day, two people – neither of whom the British public care a toss about – battle it out for the keys to Number 10.

And Christ, it was boring.

Dull as dishwater.

But a bit frightening, too.

It's what it must be like having your head wrapped tightly in a plastic bag, as one of my ever-popular nightmares likes to remind me after too much blue cheese.

You can see what's happening but you're barely able to breathe.

The madness continues in front of you, but there's nothing you can do about it.

How on earth has this taken two months to happen?

When there's a general election, or even one for those no marks down the

road at the town hall, the most you'll ever get of this nonsense is six weeks.

But we've known since 2016 that the Tory party is split right down the middle between Remainers and Leavers.

We also know that the only way Boris got his 80-seat majority was because a) the country was fed up of the Brexit whining, and b) Jeremy Corbyn was absolutely shit, unless you were 14, or a moron.

So now we have a new Prime Minister, which is only slightly more interesting than waiting for the next episode of *The Blacklist* to once more fail to find out whoever it was who killed Elizabeth about what feels like 10 years ago.

But what the news channels seemed to think was the exciting stuff has just ended.

That's it.

The grandiose words about saving us all from energy poverty, the stuff about taxes, the hot air about pensions and the NHS and care workers and "growth" – forget it.

We're now back in reality.

Autumn's looming.

The nights are already drawing in.

Our bills are going up.

Our incomes are going down.

Everything that could go wrong will almost certainly go wrong.

Not least, because we're about to witness the collapse of not just our economy but that of most of the Western world.

And it won't be Brexit to blame, although we can pretty much expect the BBC and the other usual suspects to say just that.

In our case, in the UK, it'll be the fault of a few hundred people in one particular party to take two bloody months to elect someone everyone knew was going to win anyway.

Democracy?

What a f\*\*king joke.

# #MY SEX FANTASY

## 'We were caught by a couple out walking their dog!...'

**MY favourite sexual fantasy is doing it in a public place – and I have form for this!**

I've loved the recent hot weather because it reminds me of being on holiday, which makes me feel horny and uninhibited.

I love going for a picnic in fields – or at the beach – with my fella and making out.

It feels incredibly naughty to be kissing and get carried away. You know you shouldn't be doing it and someone may catch you but you can't help yourself.

Your hands are wandering. His hands are wandering. Your nether regions are tingling.

Next thing you know you're near-naked in the open air and you're just going for it!

My senses always feel so heightened when it's risky like that. And I usually have the best orgasms, too.

We were once caught out by a couple walking their dog but I'd started to climax and simply could not stop by then!

## Man beat cops with seashell!

A MAN attacked cops with a giant seashell when they tried to take him into custody.

Sam Coffey has since been charged with aggravated assault and public drunkenness after an incident one neighbour described as strange and terrifying.

"This is about the strangest thing I've ever seen," Rhonda McCrobie of Mt. Pleasant, Pennsylvania, said.

"I was a volunteer firefighter. I've seen a lot of strange things. Nothing like this."

Witnesses say Coffey, 46, drove his car into a neighbourhood and began to walk around in various states of undress.

Coffey grabbed veg out of gardens and snacked on them.

His behaviour prompted someone to call the police and when they arrived, troopers found Coffey standing naked and holding a seashell to his ear while yelling.

When officers tried to take him into custody, he threw rocks at them, started beating them with the shell, and bit one cop repeatedly.

## Dog sniffs out £1m coke in wheelchair

A DRUG-sniffing dog led airports cops to find 13kg of cocaine stuffed into the leather upholstery of a motorised wheelchair, whose user immediately stood up and was nicked.

The specialised canine unit was deployed at Malpensa Airport in Milan, Italy, to check arriving passengers and their luggage following a flight from the Dominican Republic, after drug couriers previously used the route.

When a dog drew cops' awareness to the traveller, police first checked his luggage, which yielded nothing, but discovered the drugs – with a street value of around £1million – after cutting open the wheelchair upholstery.

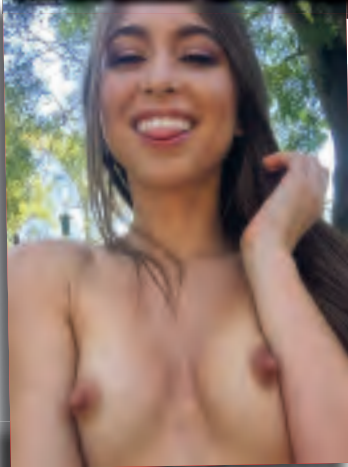

The passenger was taken to a local jail, where he's being detained pending investigation.

## LOOK INSIDE PORN STAR RILEY'S SWISH NEW PAD...

# BUM SEX PAID FOR MY £4.5 MILLION MANSION

MINTED: Riley is No.1 on Pornhub

### FANCY living in a stunning property like this?

Well, all you have to do is take two thrusting cocks up you at the same time, with another in your gob, before being showered with pint after scalding pint of sticky SPUNK!

Because that's how porn star Riley Reid has done it!

Pornhub's top adult actress forked out nearly £4.5m for an LA mansion just one neighbourhood away from her old one.

The 31-year-old Florida native paid the amount in full for the four-bedroom, six-bathroom house in Pasadena, Los Angeles.

The compound atop a massive 3.6-acre lot was built in 2020 and is only one neighbourhood away from the San Gabriel Valley, where she previously lived.

Speaking about her former home in 2017, the anal queen said: "I love dressing up, and even dressing up my house. I love decorating. My house is so f\*\*king cute! I'm gleaming!"

Aside from the main house, her new place has a pool house with a fireplace, and a separate detached guest house.

The kitchen also holds a double sub-zero fridge, a 146-bottle wine fridge,

and a marble island.

Riley has been ranked the No.1 porn star on Pornhub and has won nine Adult Video News awards, but limits what sex scenes she shoots because of the effect it had on her romantic life.

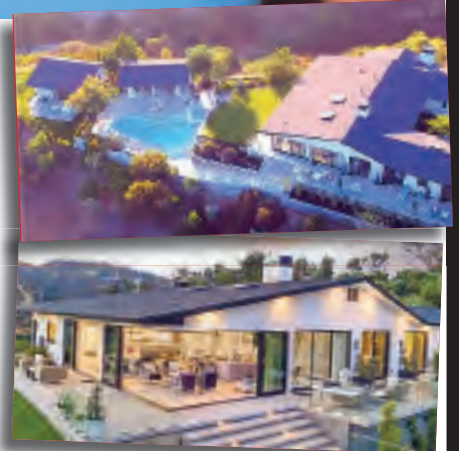

Earlier this year she announced she had got engaged to artist Pasha Petkun.

She only did her first anal scene in 2015 but it was a smash.

Riley shot her first anal and DP scene with Tushy in *Being Riley*, for which she won Best Anal Scene, Best Double Penetration and Best Girl/Girl in 2016.

She's spoken about how hard it is for a porn star to have a normal love life, adding: "Being a porn star, it's hard for me to just slide into a guy's DMs. Being a porn star everyone just thinks I want to suck their dick."

"So it was like, 'How can I let him know I want to suck his dick and talk to him?'"

# LOCKDOWN BABOONS WENT APE FOR SEX

BABOONS had more sex when zoos and safari parks were closed during lockdown.

The animal also portrayed more dominating behaviours without the presence of humans and a new study observed how the behaviour of bonobos, chimpanzees, and western lowland gorillas changed.

The study showed that the increased sexual behaviour of olive baboons during closure may have occurred due to the lack of stimulation of moving vehicles consistently roaming,

Chimps engaged more with their enclosures when the zoo was open, while gorillas spent less time resting.

Dr Samantha Ward, from Nottingham Trent Uni, said: "Primates are some of the most advanced species in zoos and their interactions with visitors are complex. Zoos and parks

rarely close to the public for prolonged periods, so this provided us with a unique opportunity.

Behavioural data for the study was collected throughout open and closure period during the pandemic.

Chimpanzees and baboons positively engaged with the visitors when they returned

Dr Ellen Williams, a zoo animal welfare researcher, said: "Our study showed the varied ways visitors can influence primates in captivity."

# THE WORLD FAMOUS AGONY

Dear Tess,

My mum's best mate is a still-tasty blonde of 39. I'm 18 and I've fancied her ages.

She flirted with me a lot, but on my 18th birthday the flirting ended and the shagging began.

About a month before my birthday I was giving her a lift home when she said I could have a special present on my big day – her!

She then gave me a blowjob and said shagging her would be even better. On my birthday I went round to her house when her hubby was at work and she was wearing just stockings.

Her massive tits looked so good and we went to her bedroom. She sucked me off and after I'd exploded in her mouth she told me to tongue her, then to f\*\*k her in both holes.

I've shagged her often since then. Shagging birds my own age just isn't the the same. What should I do?

GC, Lincolnshire

Tess says...

CARRY on screwing... but don't t get caught!

Dear Tess,

I'm a 55-year-old single bloke and I've got a soft spot for a busty redhead babe who works in the same office as me.

Well, when I say soft spot I actually mean a rock-hard one!

She's almost half my age, but we chat at work all the time and she smiles and laughs at all my jokes, so I genuinely think I've got a chance with her.

I'd really love to take her out for a romantic meal and then squirt my hot spunk all over her massive tits.

Obviously, I don't mean I'd do it in the restaurant.

No, I'd take her back home and make sure my mum was tucked up in bed before we got down to it on the living room floor.

I reckon she'd be well-chuffed with my cock, although when she sees all four inches of it in its rampant state it might just scare her off a bit.

Should I go for it and ask her out?

NP, Sussex

Tess says...

YES... but don't be too surprisedd if she says 'no'.

## Lack of sex caused me to cheat with wife's pal

Dear Tess,

SINCE my wife had our first baby, I've been going really short of sex.

The other night a friend of hers called round to visit.

But after an hour or so the missus said she was tired and went off to bed, leaving me to entertain her pal.

Well I wasn't too put out because her mate just happens to be a right cracker with a pretty face and gorgeous curves.

So, given her looks, it's no surprise that I ended up doing the unforgivable.

I put my hand on her knee and was soon tracing a path up her short skirt.

And to my amazement I soon

found that she was not wearing knickers.

Having got the green light, I slipped an exploratory two fingers into her moist minge.

I worked them in and out until she came with a delightful gasp.

She even let me have a good old suck on her huge nipples while I was finger-banging her.

Afterwards I came to my senses and felt mortified and really worried that she might tell the missus.

I can't get it out of my mind that I cheated on my wife.

JP, east Midlands

Tess says...

YOU had a lapse. Talk to your wife about your needs.

# I can't get enough of sister's horny mate

**Dear Tess,**

**I'M a 22-year-old single fella and for the past three months I've been f\*\*king the arse off my sister's best mate.**

She's 19 and I've never known anyone so horny and insatiable.

We first had it off one night when she and my sis were out together. I was in this pub with my mates when the two girls came in.

At first I must admit I was pissed off, as it was embarrassing to have my kid sister there and I thought she would cramp my style.

## Hard-on

But she copped off with a young guy and that left her mate on her own, so I grabbed her for a chat.

The funny thing is, I'd never looked at her properly before but as we made small talk she pressed her body against mine and I couldn't help but get a hard-on.

Then she whispered in my ear that she could feel my stiff cock against her and that she really fancied me.

We hatched a quick plan, leaving the room at different times and meeting up in the women's toilets.

The loo was empty, so we bolted one of the cubicle doors and I wasted no time fondling her lovely breasts.

She tugged her top down to reveal her boobs and I began to suck on her nipples.

As I slobbered away she quickly unzipped me, whipped out my stiff manhood and began wanking me off.

Then I reached up her skirt, tugged down her panties and thrust into her as she stood with one foot on the toilet bowl.

I was so worked up that after a couple of pushes I grunted as I shot my load deep into her.

But she wasn't finished and she sat down on the loo, parted her thighs wide and told me to lick her chuff.

I did as I was told and after about

five minutes she grabbed my head as she climaxed too.

I've lost count of how many times we've shagged since then and she can't get enough of my cock.

She particularly likes to nosh on my erect dick and loves it when I shoot my hot spunk in her mouth.

Nearly every time she gulps it down with great relish.

I think I'm falling in love with her, but she says she's too young to settle down and she still goes out on the town with my sister.

This makes me jealous.

What can I do?

*DF, Lancs*

**Tess says...**

**CHILL.** Enjoy what you've got.

**Dear Tess,**

**RECENTLY** me and the missus have taken to stripping off and lounging about the house stark naked.

One night last week we'd had our tea and were sat on the sofa watching *Coronation Street* when she reached down and took hold of my knob.

She started massaging it and pretty soon I was rock-hard and gagging for some action.

So she leaned over and took it in her mouth and sucked me off.

I reached round and fingered her tight bumhole, which got her squirming about and she gobbled me even harder.

I was right on the verge of unleashing my load into her warm and hungry mouth when suddenly the front door opened and our son and his new girlfriend walked in on us!

We had to stop and quickly pull on some clothes and apologise to them as they stood there in shock.

But all the while my balls were aching like nobody's business!

How can we avoid any more embarrassing moments like this in future, without giving up our naturist lifestyle which we love so much?

*BN, west Yorkshire*

**Tess says...**

**LOCK** the front door, you silly sod!

## Straight babes love lusty lesbo licking!

**Dear Tess,**

I'm a lesbian and my girlfriend and I share a house with two beautiful straight girls.

Though they often taken the piss out of us, on many a drunken night they've asked about what it's like to sleep with a woman.

One night we came home to find our housemates lying asleep on our bed in their bras and knickers.

It looked like they had been trying to experiment but had chickened out. So we decided they should finally experience some proper lesbo fun.

We took off their underwear and then tied them up with silk scarves.

## Sopping

When they woke up they were startled, but then they smiled and encouraged us.

I tongued the sopping pussy of one of the girls while my girlfriend went down on the other one.

Then I got my two favourite dildos and eased them up the wet snatches of the girls.

We untied them and started kissing each other's boobs and then me and my girlfriend had our fannies licked by them.

After that, we put on our strap-on dildos and took them in both holes.

Do you think we could make it a regular foursome with them?

*TW, Brighton*

**Tess says...**

**NOT** so fast. Let them decide what happens next.

**S** HIONE Cooper loves it up the POOPER, and although the mega-boobed babe is built for tit wanks, she much prefers a hard cock knocking on her back door.

The model, originally from Prague in the Czech Republic, said: "F\*\*king in the pussy or between the tits is all well and good, but I love it up the ass."

"Good and hard, please!  
"I like the feeling of a man in my ass and a man coming in my ass."

"If not up my ass, then I like him to spray his sperm over my breasts."

"I then lick the sperm from my nipples.  
"This makes the man hard again for more sex. In the ass!"

**IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!**

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another £5 OFF the already low, low price.

*Down On Abby* is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc\*\*\* and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

# SPORT STARTS HERE WITH RACING

NOVEMBA (pink silks)

# Novemba can bring fireworks

**NOVEMBA can snap a losing run that stretches back to May last year when she tackles the Japan Racing Association Sceptre Fillies' Stakes at Doncaster.**

The highlight of the opening day of the St Leger meeting, this Group Three looks an ideal opportunity for Peter Schiergen's charge given her fine efforts since winning last year's German 1000 Guineas.

Fourth in the 2021 Coronation Stakes, Novemba was only beaten five lengths by Baaeed in the Moulin subsequently and also got within two lengths of Real World in the Prix Daniel Wildenstein.

The four-year-old has been competing well at a decent level this term too, with a fourth behind Saffron Beach at Ascot and a Group Three third in the Valiant Stakes back at the Berkshire venue comprising her last two starts.

She usually likes to set the pace but after a slow start on her most recent run, she was up against it, so her third behind Jumbly and the admirable Oscula could possibly be upgraded a little.

While she is capable on quick ground, her better form has come with a little ease, so conditions on Town Moor should suit and the drop back to seven furlongs looks a logical option given her front-running nature.

Manacan can graduate to Listed class in the Cazoo Scarborough Stakes after hitting the crossbar at Newmarket.

Beaten just half a length when third in the Hopeful Stakes at the end of last month, he had previously triumphed in a decent event at Ascot's Shergar Cup, while his second to Look Out Louis at Chester in July reads well after that one blazed a trail at Haydock on Saturday.

John Ryan thought him good enough to compete at Group level as a juvenile and he is certainly on the upward curve right now.

Modern Dancer is the choice in the Cambion Electronics Nursery Handicap.

A maiden winner at Doncaster in June, the son of Kingman subsequently tried to concede weight all round in Yarmouth novice event but came up a couple of lengths short, prompting this switch to handicap company.

Beaten just two lengths by Seeking Gold, who had previously chased home Chaldean, Modern Dancer has plenty going for him off a mark of 85.

Grand National-winning rider Sam Waley-Cohen returns to the saddle for the first time since his famous Aintree triumph in April and Sandy Paradise can see him continue the successful theme in the Ubettableveit Leger Legends Classified Stakes.

## Refreshed

Lila Girl can maintain her unbeaten run this term in the Unibet 3 Uniboots A Day Fillies' Handicap at Kempton.

Michael Bell's charge is threefromthreeat Chelmsford, most recently defying a 6lb rise to hold on for a head victory over Adelaide in July.

Raised 2lb for that verdict, Lila Girl should return refreshed on her career-high mark.

Captain Corelli might still have something left to give off a perch of 65 in Carlisle's Cummersdale Handicap, with Minella Plus taking the eye as he returns from a break in the QuinnBet Handicap Hurdle at Uttoxeter.

## LAMPARD BELIEVES EVERTON CAN START CLIMBING PREMIER LEAGUE

**EVERTON are winless but boss Frank Lampard believes the derby draw points the way to success.**

Everton sit just above the bottom three in the early standings with four points from six games but Lampard – who had little time to implement his ideas last season after taking over amid a relegation scrap – is encouraged by the football his side are playing.

Amadou Onana had an excellent game against Liverpool, Neal Maupay looked bright on his debut while deadline-day signing Idrissa Gana Gueye added composure in midfield when he came on.

"I think 'compromise' is the word for last season, compromising on ideas," Lampard said. "For me as a coach it was a great experience to try to find a

By JOHN ANTHONY

way which I hadn't been used to in my coaching career at Chelsea and Derby. "It was about spirit and the foundation of fight, but to stay in the Premier League you need more than that. Recruitment was a big part of that – we've tried to get players who can receive the ball and be comfortable on the ball and make the right decisions.

"A lot of the decisions were a sign of improving against an intense, high-pressing team.

"We want to keep going in that direction. We're far from the finished article and what we want in that way. We want to have more control, more possession. But I think we saw the ability. It's good for the lads to feel that. We need to keep working on that."

Things could have been even better for Everton but for a narrow offside call which saw a 69th-minute

strike from Conor Coady ruled out.

Goodison Park erupted when the defender poked home from Maupay's cross but VAR intervened. Lampard joked that he had not celebrated because he expected the call.

"I thought it was offside," he said. "We're Everton,

aren't we? It's going to be offside.

"I didn't really celebrate because I thought it was going to be close. I didn't have the angle (to see) but just by the nature of the angle I assumed he was in a possible offside position."

Maupay, made to wait for

his debut after paperwork kept him out of Tuesday's draw with Leeds, was a constant pest to the Liverpool defence, offering the Everton attack a much-needed focus.

And Lampard is optimistic Dominic Calvert-Lewin, plagued by injuries for so much of his tenure, will soon be back to add another threat.

"Dominic will be training next week, we hope," he said of the player who got the goal against Palace last season to secure Everton's survival. "At that point we'll have good options."

"Dominic is a big player for us. I haven't experienced him as much I would want but I experienced one of the best days of my life when he headed in that ball last year.

"We understand what he can bring to the team. Hopefully we can get him fit and firing and then our options look stronger, naturally, because he's an England striker."

## Rimmer not licked by abuse

RUGBY LEAGUE

**CHIEF** exec Ralph Rimmer has spoken of the abuse he has received during his five years at the helm of the Rugby Football League but insists it played no part in his decision to quit.

The 56-year-old will step down in December, has served the RFL for 12 years.

Rimmer told a media briefing at the RFL's new HQ at Manchester's Etihad Stadium that the abuse he has received in his time at the top has impacted on his family but accepts that it comes with the territory.

"I get plenty of abuse," he said. "I get it online certainly and I get it at grounds. Lots of people have my phone number and like to tell me what they think of my actions."

"I knew what it would be like before I started. Our fans are incredibly passionate and many of them experience lots of pressures in their own personal lives."

"I think sport is probably the cheapest therapy everybody has and that's where passions come out."

### Honour

"If you want people to be passionate enough to pay to come through turnstiles, then they're going to have an opinion on what you do because they care about the sport."

Fellow director Karen Moorhouse, who is also leaving the RFL after 14 years, cited the abuse as one of her reasons not to throw her hat into the ring for the vacant CEO job.

"It would be a real honour to perform a role like that but that role attracts a lot of scrutiny, which is absolutely right," said Moorhouse, who has been chief regulatory officer since 2017.

"We also have some incredibly passionate fans and sometimes that can spill over into perhaps unacceptable types of behaviour."

"Certainly I look at some of the abuse that Ralph gets, both online and in person, and I think it crosses the line, it's not acceptable."

"I'm a mum with three kids and would never let my ambition damage their wellbeing."

"I've a lot to offer and I'm ready to explore new challenges."

"I want to see what the big world offers outside of the sport of rugby league."

# IT'S A TOTAL VAR-CE!

## Mason told to ref off after denying Hammers a goal

**LEE Mason has not been selected as a VAR for a Premier League match at the weekend following a controversial disallowed goal for Newcastle on Saturday.**

Mason, who became a dedicated VAR at the start of last season after retiring as a referee, was in the booth for the Newcastle v Crystal Palace match on Saturday where the home side had a goal ruled out.

On-field ref Michael Salisbury awarded an own goal by Tyrick Mitchell to Newcastle but, after a review was recommended by Mason, he gave a foul against Joe Willock who had collided with Palace goalkeeper Vicente Guaita.

Replays suggested the collision had been caused by Mitchell shoving Willock in the back and that the goal should have stood.

The Premier League is understood to have asked the Professional Game Match Officials Limited group for further info on that incident, as well as the decision to disallow Maxwel Cornet's late goal for West Ham at Chelsea on the same afternoon.

Andrew Madley, the referee who disallowed the goal at Stamford Bridge, has been selected to referee the Liverpool v Wolves match on Saturday, while the VAR in the game, Jarrod Gillett, will be the

By PAUL THOMAS

referee at the Leicester v Aston Villa clash the same day.

Gillett as VAR had advised Madley to look again at the goal, after spotting a possible foul by West Ham's Jarrod Bowen on Chelsea keeper Edouard Mendy.

Hammers boss David Moyes described the decision to disallow the goal as "scandalous".

Former referees' chief Keith Hackett feels officials have been "hung out to dry" due to a lack of leadership from PGMOL general manager Mike Riley, who will stand down at the end of the year to be replaced by Howard Webb.

Hackett said: "We're in our fourth season of VAR and we're not operating it well."

### Suspect

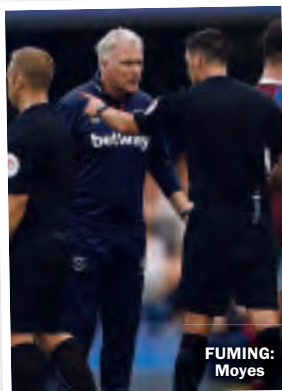

"These officials don't get to the Premier League without being good referees. In some ways they have been made to look foolish this weekend by what has happened. They must feel that they've been let down."

"They have been hung out to dry because there's no leadership. There's no guidance, there's no coaching."

"That ultimately has to come down to the person running the organisation. The interaction between ref and the VAR is suspect."

"One of the reasons for that is you've got current referees who might referee on a Saturday suddenly becoming a VAR on a Sunday. I don't think that's conducive to good officiating."

Hackett says PGMOL should move to create a panel of individuals whose sole job is to serve as VARs and called for them to operate as teams with a ref and assistants to improve communication.

# FURY WANTS BATTLE OF BRITAIN

TYSON Fury has offered Anthony Joshua the chance to fight for his WBC heavyweight title before the end of this year.

Fury is searching for a high-profile opponent in his next bout after rival champion Oleksandr Usyk indicated he does not intend to return to the ring until 2023.

Joshua suffered a second consecutive defeat to the Ukrainian in Saudi Arabia last month and his promoter Eddie Hearn is currently considering options for a return early next year.

Fury said in a video posted on social media: "You've all

### BOXING

heard that I'm going to be fighting within the next few months, and before I announce an opponent I need to do this just in case."

"Anthony Joshua, I know you've just lost a fight to Usyk, and I know you're beltless and I'd like to give you an opportunity to fight me for the WBC heavyweight championship of the world and the lineal championship in the next few months."

"You're coming off a 12-round fight so you're match fit, you're ready, I'm giving you a few months' notice."

"If you're interested I'll

send you the date over and we can rumble – a battle of Britain for the WBC heavyweight championship of the world. Let me know if you're interested, if not I will select another opponent."

Joshua is unlikely to take the bait as his team look to help him rebuild with a bout against a different, top-ranked opponent.

Fury has told "middleweight" Usyk that he will get "smashed to bits" whenever any unification fight takes place.

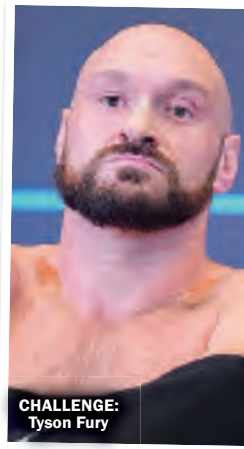

Usyk beat Joshua for the second time last month, outpointing him in Saudi Arabia to retain his WBA

(Super), IBF, WBO and IBO heavyweight belts.

Fury said: "Usyk, middleweight, you say you want the WBC and it's held by gypsies."

"It is held by gypsies, it's held by the 'Gypsy King' and it's held tightly, grasped tight and all roads lead to a seven-foot behemoth who will absolutely destroy you, middleweight."

"Middleweight, you will get smashed to bits. You said you wanted to fight me after you beat the bodybuilder, called me out on television and now you're running, hiding, saying you've got injuries."

KEEPING FAITH: Rodgers

## Rodgers happy to see Foxes fighting

**UNDER-FIRE** Leicester boss Brendan Rodgers is adamant his players are "very much together" and "giving everything" despite the club's worst start to a Premier League season.

The struggling Foxes are bottom of the table with just a single point after Sunday's 5-2 hammering at Brighton condemned them to a fifth consecutive top-flight defeat.

Sections of City's travelling support turned on their under-pressure manager, unfurling a 'Rodgers Out' banner at full-time and chanting for him to be sacked.

Leicester's players also vented frustration with heated on-field exchanges between Wilfred Ndidi and goalkeeper Danny Ward.

"I'm happy when that happens because they've got to tell each other," Rodgers said of the disagreements.

"You can't hide behind a rock and pretend it's not happening."

"The group is very much together, that's the beauty of it. The spirit's there, a great bunch of guys that have talent but, at the minute, collectively we're not quite showing that talent and that's (due to) confidence."

"We're very much together, there's no doubt about that. But the telling things to each other on the pitch, I like that."

"The players are giving everything and fighting."

Leicester have registered five successive top-half finishes in the Premier League.

The Northern Irishman feels it is "a constant challenge" to plug gaps in his team after likening his squad to a jigsaw with missing pieces.

"We have the players that we have, that have the skill set that they have and we have to try and maximise what we can get out of them," said Rodgers, who is favourite to be the next Premier League manager to be sacked.

"For us, it's like a jigsaw, we've got pieces missing and it is a constant challenge to try and fill the gaps where the pieces are missing."

"That's the reality of where we're at but it won't stop us trying and fighting and working to get the best results we can."

"Football can change very quickly. We get one result and that will breed a lot of confidence into the players and then we can move on from there."

# ANTONY MAKING A MARK

## Dalot says new £82m winger has made an instant impact on Old Trafford team-mates

**ANTONY has already had a big impact at Manchester United says Diogo Dalot.**

By PAUL THOMAS

After a lengthy, and at times bumpy, pursuit of the 22-year-old, Erik ten Hag finally got his man as a deadline-day agreement was struck with his former club Ajax for a deal which could reach 100million euros (£84.8million).

The fee has raised eyebrows but there is no doubting Antony's potential, which he got the chance to show from the outset against Premier League leaders Arsenal just days after completing his move.

The Brazil international opened the scoring with a cool left-footed strike at a bouncing Old Trafford on Sunday, with Marcus Rashford's brace sealing a 3-1 win after Bukayo Saka had equalised.

Dalot was delighted to have played his part in United's fourth straight

win and enjoyed his first taste of playing with right winger Antony.

"Playing with Antony was very good," the Portugal right-back said. "He showed that in just two or three days that he could come on and make the difference he made with a beautiful goal, beautiful team goal."

"He is one more player to help, we want to build a very good squad this season and with him we are going have more quality."

### Desire

"He has the advantage of knowing the way that the manager thinks."

"He's already adapted to his football side and now he's adapted to his new team-mates and I think you could see in the minutes that he played that he showed some character, he showed some desire, which I'm sure every fan will love."

"The quality that he has, the

mentality that he has, I think he will improve us."

Dalot says the ability to converse with Antony in their shared mother tongue of Portuguese can make it easier to build a connection with the rest of the team.

But the 23-year-old is confident of linking up well with everyone right now given the team's growing coordination during his best run of individual performances in a United shirt.

"I feel it's been a good moment, individually, collectively," Dalot, who joined from Porto in 2018, said.

"When collectively you are good, the individuals come afterward, this is what I've been fighting for, to show my level."

"This is the level I want to keep for a long time, there is still room for improvement and this is what I aim for every single day, to improve what I need to improve but keep the consistency, keep the level because

these are the high standards of this club."

Put to Dalot that the players appear to be showing more fight, he added: "I think it comes for the messages the manager passes to us but the main point has been from ourselves – to be at this club you have to fight for it."

"You have to fight for 90 minutes every single game and this is what we are trying to do, then the quality will come up."

### Momentum

"But the basics, the standards of the club are like this and if we continue to do this for a big period of time I think we will get success."

"But we know it's a marathon, not a sprint. This is going to be a long season and we need all the little points, the wins to build momentum and this game was a beautiful afternoon."

United didn't make the best of

WHAT AN IMPACT:  
Antony has hit the

starts to the season and were spanked 4-0 at Brentford.

But Bruno Fernandes says that was a turning point and gave the team the kick up the backside they needed.

The Portugal midfielder said: "Something happened on the training ground after Brentford, you could feel it."

"Everyone wanted to turn that situation around."

"It was not the best for us, we knew what we had to do and we are now getting points and rewards for it."

While United celebrated a fourth straight victory, Premier League leaders Arsenal left Old Trafford frustrated as their perfect start to the season came to an end.

Mikel Arteta's side played well for large periods but left empty-handed, leading Gabriel Jesus – a four-time Premier League winner – with Manchester City – to underline the need to kill off opponents. "The

feeling is frustration because we play, we control the game and the first two goals we concede we were better than them, the opponent," the in-form frontman said. "And then we just concede."

"But now is the time to learn from it and improve. We are doing so well this season but there are still things to improve for everyone, as individuals and as a team."

## Problem

"Everyone is together and we stick together until the end."

"We came to play against a strong opponent and it's always hard, it's the Premier League."

"So we are not happy because, in my opinion, we could win because we play so much better."

"But that's football, they have quality as well and then if you don't go there and kill, you are going to have a big problem – and that's what happened."

RANGERS legend Barry Ferguson has warned boss Giovanni Van Bronckhorst that he needs to give his players a rocket.

The Blue side of Glasgow is still reeling from their four-goal spanking in the Old Firm derby.

Ferguson fumed: "The players need to take some responsibility."

"I know the manager puts a team out there in terms of tactics and formation, the players have got to take responsibility and at the end of the day, Celtic blew them away at the weekend, which I never saw coming."

"I knew it was going to be a tough place to go and get a result. But I didn't think it was going to be what happened."

"It's about the mistakes that Rangers made on the pitch and I go back to it, switching off. You can't switch off against a good team."

The Bundesliga giants want the England skipper as their replacement for Robert Lewandowski.

Bayern earlier this year but it didn't come off.

Reports in Germany say Munich sporting director Hasan Salihamidzic is keen to bring Kane to the club.

He is the final two years of his deal and the Londoners are trying to tie down Kane for the rest of his career. But

he hasn't signed on the dotted line yet which is raising hopes in Bavaria.

The German papers say Bayern have already made contact with Kane's agent - his brother Charlie.

And the club's CEO and legendary keeper Oliver Kahn has made his views clear.

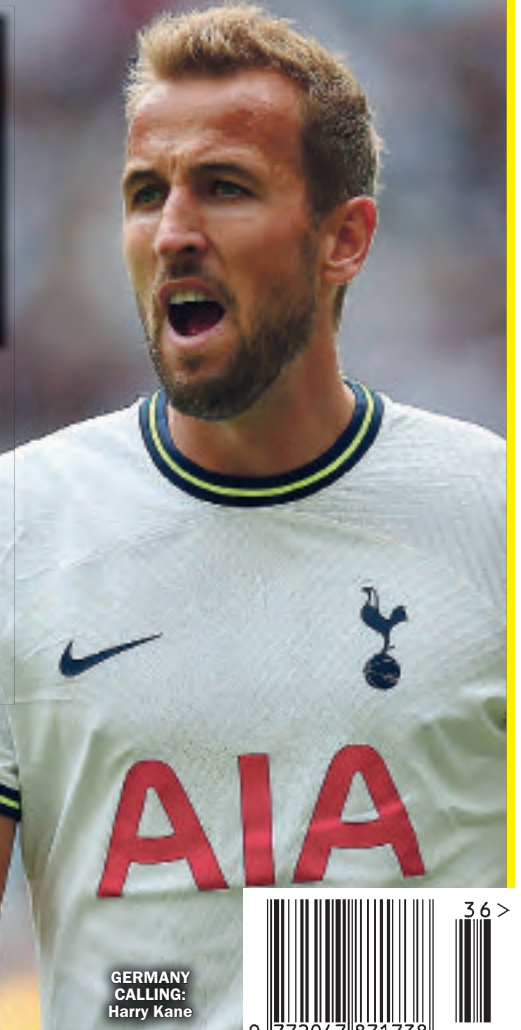

He said: "He is an absolute

top striker, but that's all a dream of the future."

And Bayern boss Julian Nagelsmann seems to agree. He said: "He's a brilliant player."
